

Photo 2—Chair

Whose chair is this?

Who else has owned this chair?

Where is this chair?

Why is this chair outside the house?

What happened to the last person sitting on this chair?

What did that person see while sitting on this chair?

What was that person thinking about while sitting on this chair?

Would someone else like to own this chair? Why?

What will happen to the next person sitting on this chair?

Will someone take this chair inside? If so, for what reason?

Will this chair be sold? Given away? If so, why? To whom?
